Teachers School Supply
21711 Vetter Road
Poulsbo, WA 98370

Dear Friends,

The Board of Directors and staff of the Community FoodBank of New Jersey join me in expressing deep appreciation for the generosity of everyone at Teachers School Supply. Your support of our Kids Division Tools 4 Schools Resource Center has never been so valued as during these difficult economic times.

We believe education is society's most important investment and despite a rising demand for emergency food and an uncertain economy, we are determined to maintain the Tools 4 Schools program.

Your contributions will make a tangible difference in the lives of thousands of children in underserved communities by giving them the tools they need to succeed in school. Children with adequate educational resources can become active learners, developing positive young minds capable of overcoming the negative influences of living under difficult circumstances.

Thank you for helping us start these children on a track to a better future. We hope you are as proud as we are of the good you are helping to accomplish.

Sincerely,

A handwritten signature in blue ink that reads "Kathleen DiChiara".
